## FISCAL ANALYSIS

### ASSUMPTION

Officials from the **Department of Public Safety - Missouri Highway Patrol** and the **Office of the State Courts Administrator** each assume the proposal would not fiscally impact their respective agencies.

In response to a similar proposal from this year (HB 1532), officials from the **Office of Prosecution Services** assumed no measurable fiscal impact to their agency. The creation of a new crime creates additional responsibilities for county prosecutors which may in turn result in additional costs which are difficult to determine.

Officials from the **Attorney General's Office** assume that any potential costs arising from this proposal could be absorbed with existing resources.

For the purpose of this proposed legislation, officials at the **Office of State Public Defender (SPD)** cannot assume that existing staff will provide effective representation for any new cases arising where indigent persons are charged with the proposed new crime of disrupting a house of worship - a new class C misdemeanor - a subsequent offense would be a class B or class A misdemeanor.

While the number of new cases (or cases with increased penalties) may be too few or uncertain to request additional funding for this specific bill, the SPD will continue to request sufficient appropriations to provide effective representation in all cases.

**Oversight** assumes the SPD can absorb the additional caseload that may result from this proposal.

In response to a similar proposal from this year (HB 1532), officials from the **Department of Corrections (DOC)** stated penalty provisions for violations, the component of the bill to have potential fiscal impact for DOC, is for a class A misdemeanor. Currently, the DOC cannot predict the number of new commitments which may result from the creation of the offense(s) outlined in this proposal. An increase in commitments depends on the utilization by prosecutors and the actual sentences imposed by the court.

If additional persons are sentenced to the custody of the DOC due to the provisions of this legislation, the DOC will incur a corresponding increase in operational cost through supervision provided by the Board of Probation and Parole (FY11 average of \$5.12 per offender, per day or

ASSUMPTION (continued)

an annual cost of \$1,869 per offender).

In summary, supervision by the DOC through probation would result in some additional costs, but it is assumed the impact would be \$0 or a minimal amount that could be absorbed within existing resources.

<u>FISCAL IMPACT - State Government</u>	FY 2013 (10 Mo.)	FY 2014	FY 2015
	<u>\$0</u>	<u>\$0</u>	<u>\$0</u>

<u>FISCAL IMPACT - Local Government</u>	FY 2013 (10 Mo.)	FY 2014	FY 2015
	<u>\$0</u>	<u>\$0</u>	<u>\$0</u>

FISCAL IMPACT - Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

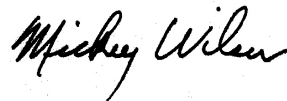

FISCAL DESCRIPTION

The proposed legislation appears to have no fiscal impact.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
